

FOR INDEPENDENT MARYLAND PRACTICES

Get paid for the care you provide — without the billing headaches.

We handle claims, denials, follow-up and credentialing for Maryland practices, so you and your team can spend your time on patients instead of payers.

START HERE

Free Billing Audit

We review how your claims, denials and receivables are being handled today and show you where revenue may be slipping through. No cost, no obligation.

— What we handle for you

Claim submission & coding

Accurate, timely claims with careful attention to coding.

A/R follow-up

Persistent follow-up with payers on unpaid and aging claims.

Patient billing

Clear statements and courteous handling of patient balances.

Credentialing & contracting

CareFirst, Aetna, Cigna, UHC, all Maryland Medicaid HealthChoice MCOs, Medicare/PECOS and Maryland Medicaid enrollment.

Denial management

We find out why claims were denied, correct them and appeal when warranted.

Eligibility & prior authorization

Coverage checked and authorizations requested before the visit.

Behavioral health billing

Including Caredon claims for Maryland's Public Behavioral Health System, plus psychological testing and psychiatric E/M billing.

Virtual admin support

Remote help with the day-to-day administrative tasks that slow your office down.

— Why practices choose us

- ✓ **Maryland-focused.** We work with Maryland practices and the payers they bill every day.
- ✓ **Knowledgeable about Maryland rules.** We know Maryland's prompt-pay rules and how the Medicaid behavioral health carve-out affects your claims.
- ✓ **Fully remote.** No extra office space or equipment needed — we work alongside your current team.
- ✓ **A dedicated point of contact.** One person who knows your practice and answers your questions.

— How it works

- 1 Free audit**
We review your current billing and share what we find.
- 2 A simple plan**
A clear, plain-English plan tailored to your practice.
- 3 We handle billing & follow-up**
You focus on patients; we keep claims moving.

Who we serve: mental health clinicians (LCPC, LCSW-C, psychologists, psychiatrists), family medicine, physical therapy, chiropractic and small specialty clinics across Maryland.
